Jeanne Little

Dear Jean,

I guess I am the first to sign up  
from. We are big seniors and will be  
leaving soon. Each of us will be going our  
separate ways. I think that you are a very  
sweet girl and I know you will do  
well at Duke. May God's richest blessing  
be with you all through life.

A friend always,  
Tommy Beck

# THE CHALLENGE

Meet the challenge . . . of education.

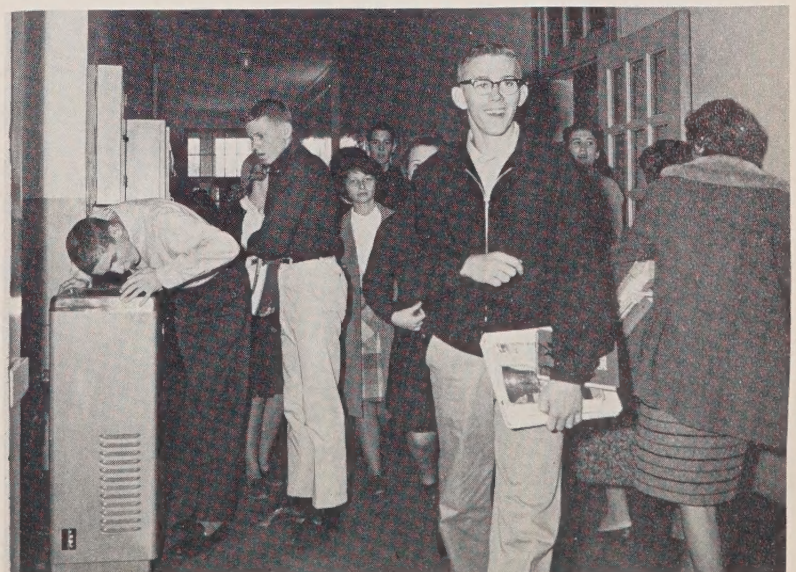

Meet the challenge . . . of competition.

Meet the challenge . . . of social activities.

Meet the challenge . . . of participation.

Meet the challenge . . . of school life.

# Foreword

In June we shall be graduated, and what of all the dreams and hopes and fears we have formulated during our high school days?

Soon our four years at Wadesboro High School will be only a part of the past, only a memory unless we face the next step in our lives with a determination to live out the things so well pointed out to us by those who have led us; — therefore, — it is our purpose to give to you "The Challenge" that life holds for us, the challenge to a richer, fuller and more satisfying life, the challenge to take our yesterdays and our todays and make them stepping stones for our tomorrows.

Barriers are before us as they have always been throughout history, but we must face an ever deepening urgency to surmount them.

May the best within us be revealed as we accept "The Challenge".

## *Dedication*

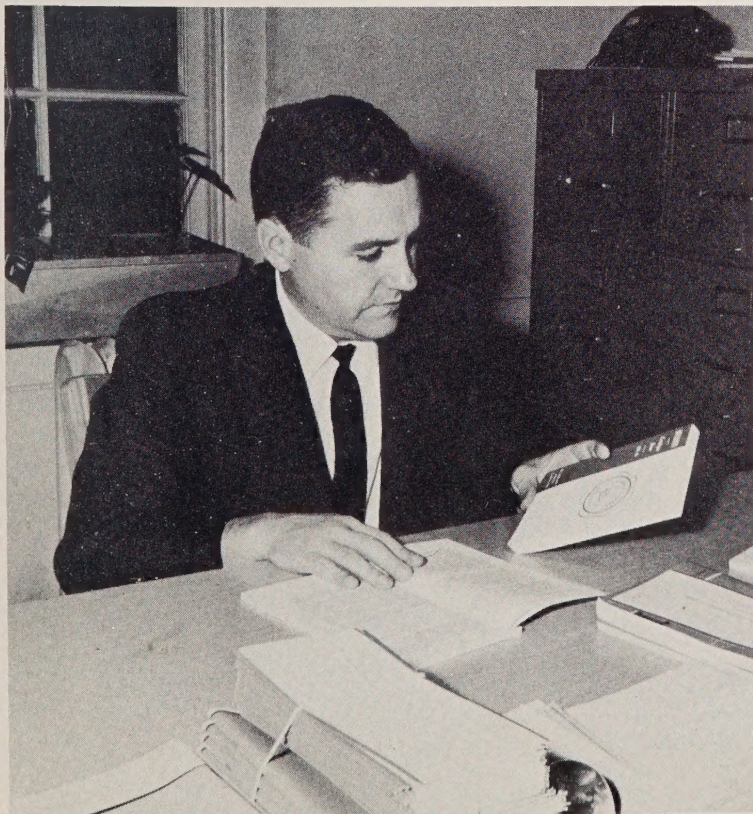

For your belief in the classroom that one must not only get knowledge but also wisdom -----

For your insight into the understanding of our particular problems -----

For your cheerful smile and kindly laughter that turns toward each and everyone of us at just the right moment -----

For your Christian character that radiates through your daily life -----

For these and all of your other fine qualities we dedicate the 1964 TIGER TALES to you, Mr. H. Boyd Israel.

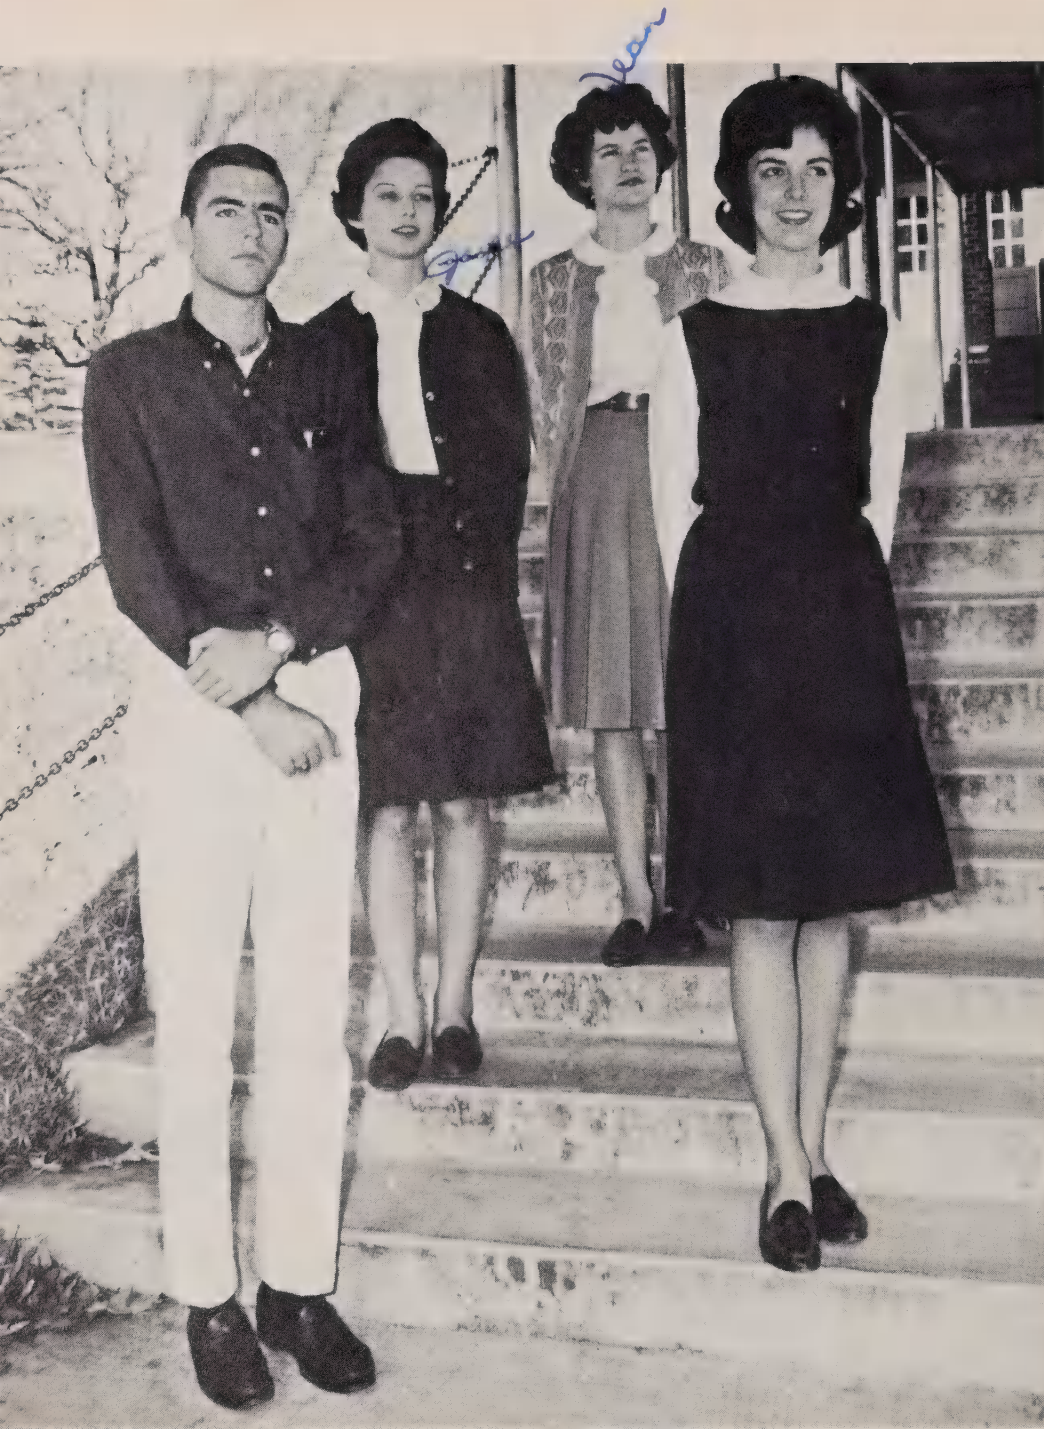

# *Meet the Challenge*

Each round gets higher and higher is certainly true of our years in high school. Beginning here with the seniors and ending with the freshmen, we present the classes in order. Each year presents a new challenge, new studies, new activities, and new responsibilities.

As we have met "The Challenge" extended to us each year, so we will accept "The Challenge" of the future with a continuous effort to succeed.

#### CLASS SONG (Tune: "Red Sails in the Sunset")

The memories so cherished  
Of our high school days  
Will always be with us  
Though we're far away.

The friendships we've made here  
Will last through the years  
The good times so treasured  
We'll always hold dear.

And now as we're parting  
We'd all like to say  
That you've each been special  
To us in some way.

May God bless and keep you  
Both now and always  
May he lead and guide you  
From day unto day.

There was never a dull moment during the year for the Junior class. They faced many responsibilities and problems which they met with smiling success.

The class led in many school activities. Included among them were cheerleaders, sponsors, majorettes, band members, honor students and sports participants. Miss Effie Ann Tillman was chosen as Homecoming attendant by the class.

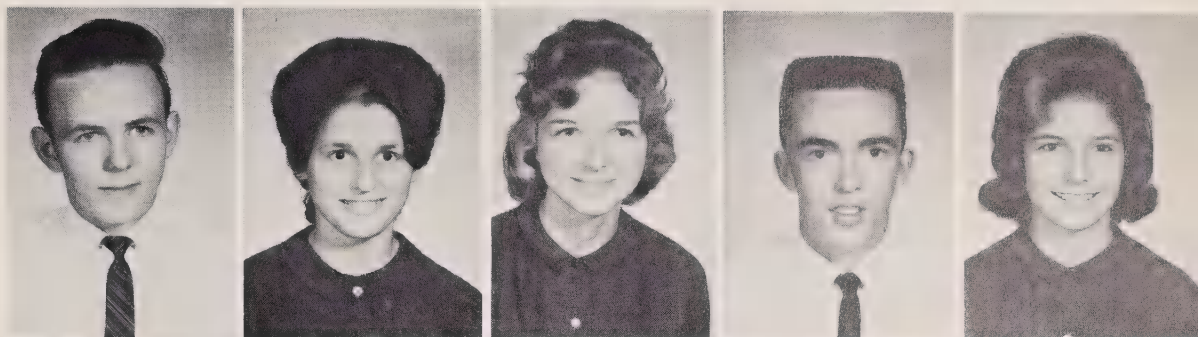

Always busy, the juniors sold magazine subscriptions to raise money for the Junior-Senior Prom. February came, and those beautiful class rings finally arrived!

With their advisors, Mrs. Dunlap, Mrs. London, Miss Honeycutt, and Mr. Martz the class enjoyed a year of fun and work. They are now prepared to meet the challenge of their Senior year which will lead them to graduation-----the end of their high school days.

The sophomore class found their second year of high school quite different from the first. They were no longer the youngest class but had already met the challenges of one year and moved on with high hopes and ambitions for the future.

The sophomore class took great pride in handling the responsibilities given them during the past year. Two former J.V. cheerleaders were promoted to the varsity squad. Many boys and girls participated in the sports program. During the homecoming activities Miss Paula Tarlton served her class as attendant. The class provided material for the bonfire and many students marched with the band. As a highlight to a wonderful year the class provided entertainment and waitresses for the Junior-Senior Prom.

With the help of their sponsors, Mrs. Gaddy, Mr. Litaker, and Mr. Mills, the sophomore class is well prepared to meet the challenge of their junior and senior years of high school.

Challenge was a big word for freshmen as they entered high school. Each class, club, and sport presented a challenge to them to do their best and use their talents to their ability. The class adjusted quickly to high school life and began participating in many activities.

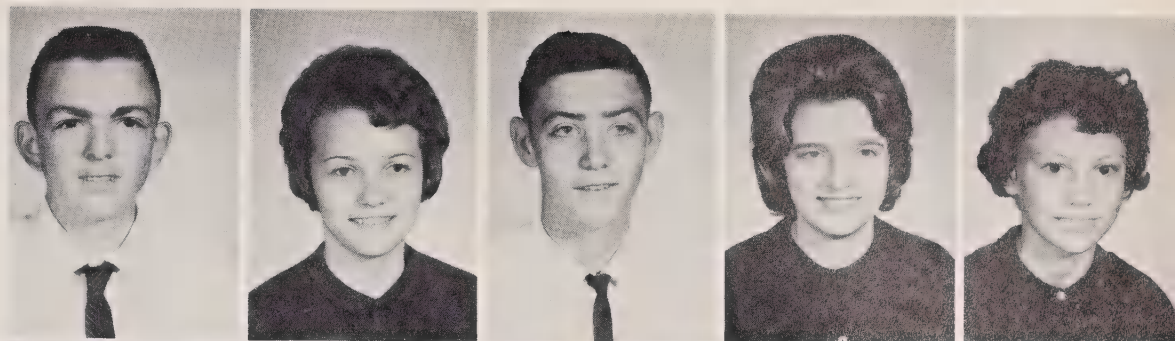

Two freshman girls served as majorettes, and other members of the class played various instruments in the band. The freshman cheerleaders cheered the junior varsity football and basketball teams to numerous victories. Miss Sandy Burr represented her class as attendant in the homecoming activities. High school dances and club activities were a new experience for freshmen. The girls worked hard and long on the F.H.A. sponsored "Hobo Day". Several class members served as officers in clubs, and others worked on the annual and paper staffs.

Always near to assist were the advisors, Miss Nesbit, Mr. Clack, and Mr. Sellari.

# *Meet the Challenge in Education*

"Education is a companion which no misfortune can depress . . . without it what is man? - a splendid slave, a reasoning savage." -

Within the scope of every student who enters Wadesboro High School is a program of education which stands as a "challenge" in the development of the mind and the body.

The goal that Wadesboro High School seeks to obtain in education is to give students resources that will endure as long as life endures. The great end of education is to discipline rather than to furnish the mind; to challenge it to the use of its own powers, rather than fill it with the accumulation of others.

Seniors work busily preparing weekly vocabulary words.

Students in the English department at Wadesboro High School study the mechanics of grammar of the English language; learn of great writers and their works through textbook and parallel reading; write book reports, original compositions and themes; and become better acquainted with the English language by weekly vocabulary words and word study.

## *Stiff English Courses Prepare Students for College*

Juniors tackle one of Mrs. London's "abstruse" test.

Geometry students learn all the "angles" of math.

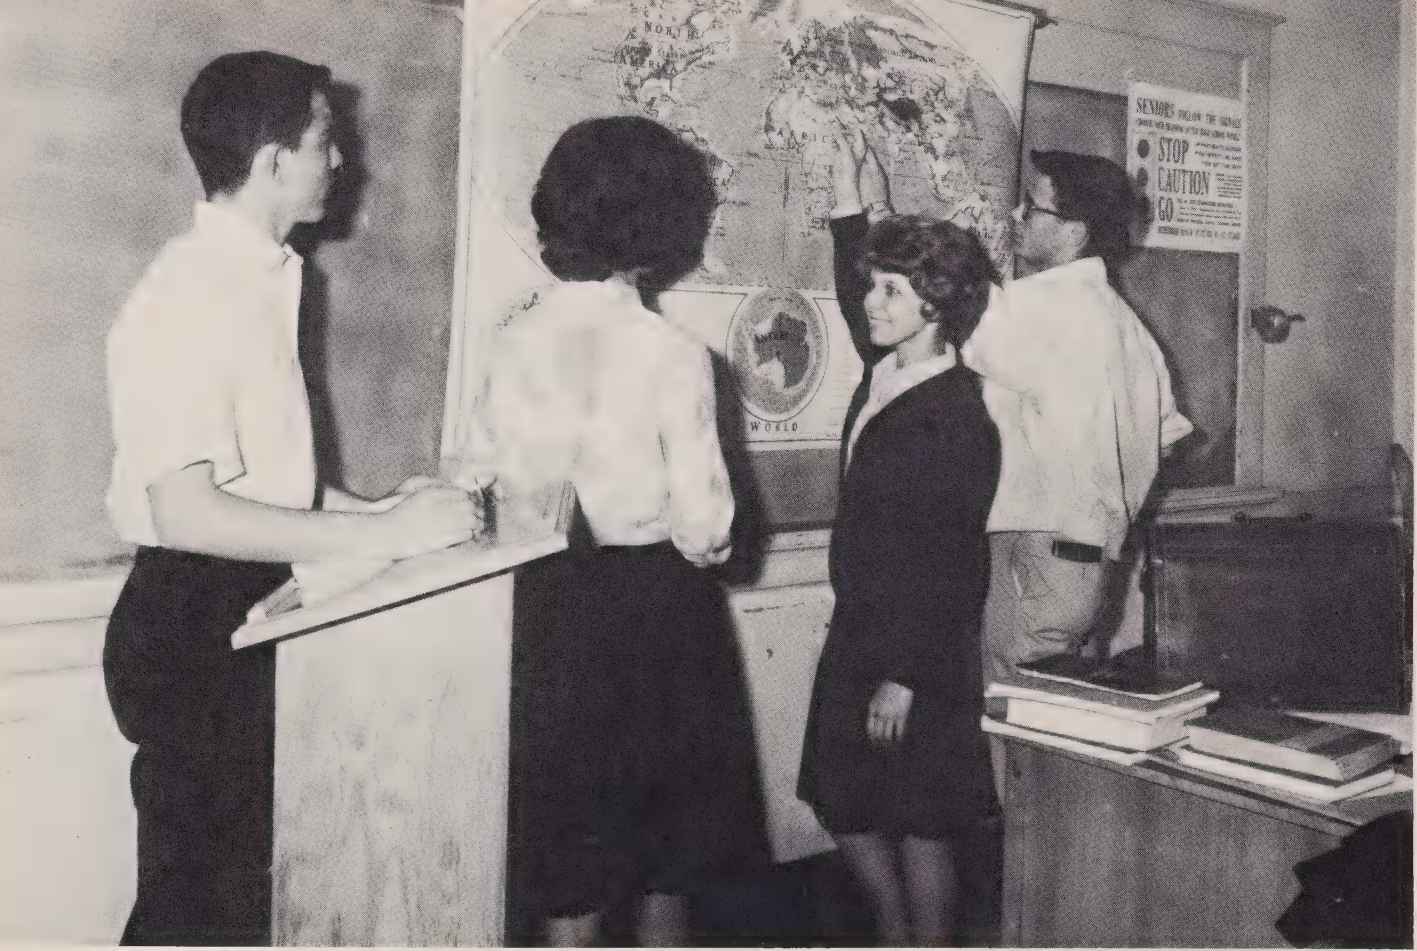

## *Higher Math Courses Offered at W.H.S.*

Advanced algebra students learn how to use the slide rule.

Realizing the importance of mathematics in everyday life, the Wadesboro High School math department offers a variety of courses ranging from business math for commercial students to college algebra and trigonometry for college preparatory students. Algebra I and II are offered, and this year plane and solid geometry were combined into one course.

American and World History students acquire knowledge through map study.

## *Our History Program . . . is Comprehensive and Varied*

Weekly films add interest to sociology classes.

Recognizing the importance of studying the past to better understand the problems of the present, the Wadesboro High School history department offers a variety of courses in history and social studies. To encourage greater appreciation of our own country's history, and to form better citizens, United States and World History are required for all students. For students desiring to learn more, there are courses in civics and sociology. All attempt to teach current as well as ancient problems and to bring the student up to date with the history making events of today.

Students at W.H.S. have a chance to increase their knowledge of science in courses of general science, biology, chemistry, and physics. With an eye to the future, chemistry and physics students learn about such things as nuclear energy and trajectories. Biology students study plants and animal life and the workings of the human body. Increasing interest in the sciences is reflected at W.H.S. in the large enrollment for these courses.

Biology students become acquainted with the organs of the human body.

## *W.H.S. Science Department Includes Four Courses*

Chemistry laboratory experiments require careful attention.

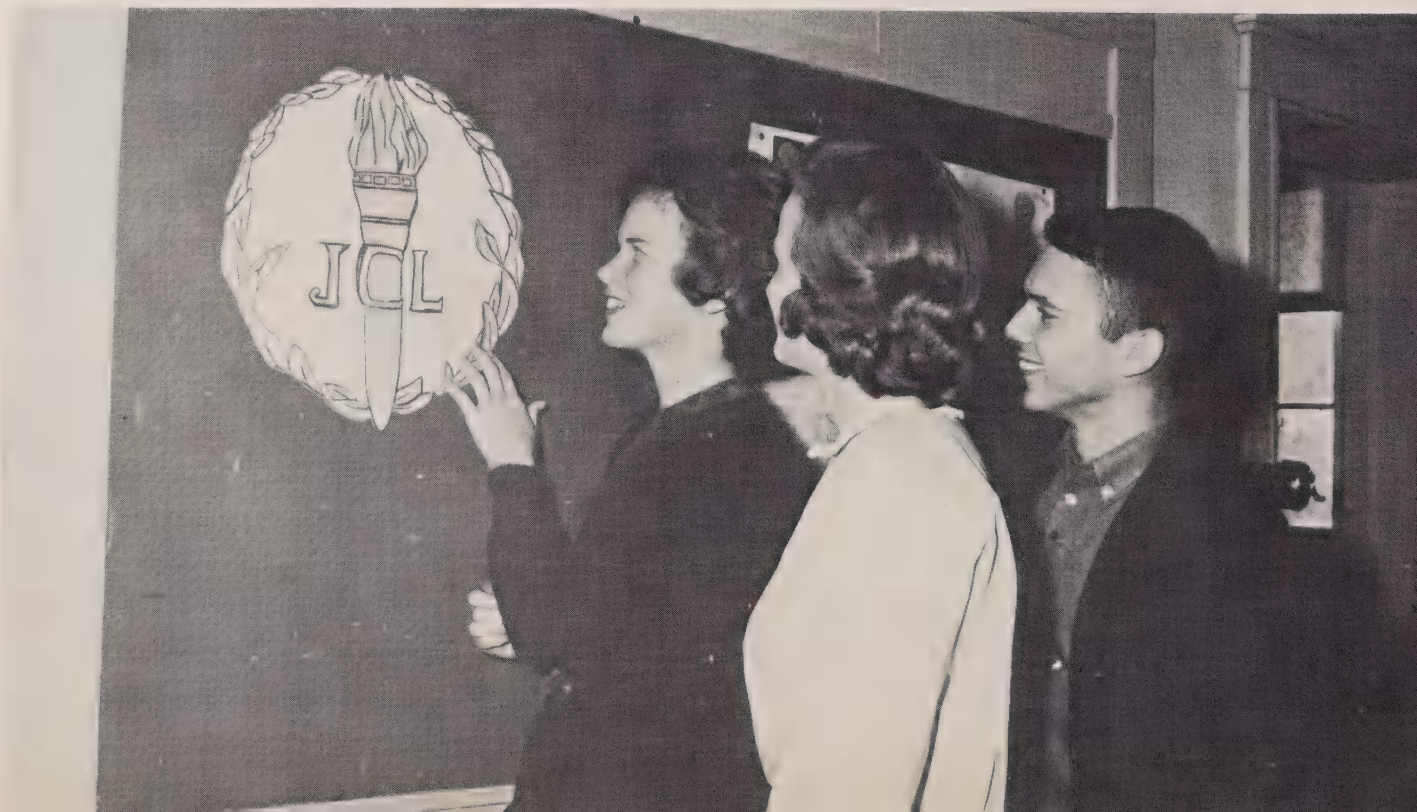

In the world of today with its rapid transportation and communication which seem to shrink our globe and bring us closer to other countries, language plays an increasingly important role. To prepare students for this type of world, Wadesboro High School offers two foreign languages, Latin and French. Latin students use Caesar's Commentaries and other Roman literature. Latin provides a background for the study of modern languages. In French classes, students try to understand the oral as well as the written language. Frequent use of the modern language laboratory helps to increase oral comprehension. Three years of instruction are available for students interested in French.

The new language laboratory sharpens ears and accents of French students.

## *W.H.S. Language Department Offers Latin and French*

Latin students proudly display the emblem of their club.

# *Commercial Courses Prepare Students for the Business World*

Typing students strive for sixty words a minute.

Office practice students learn to operate office equipment.

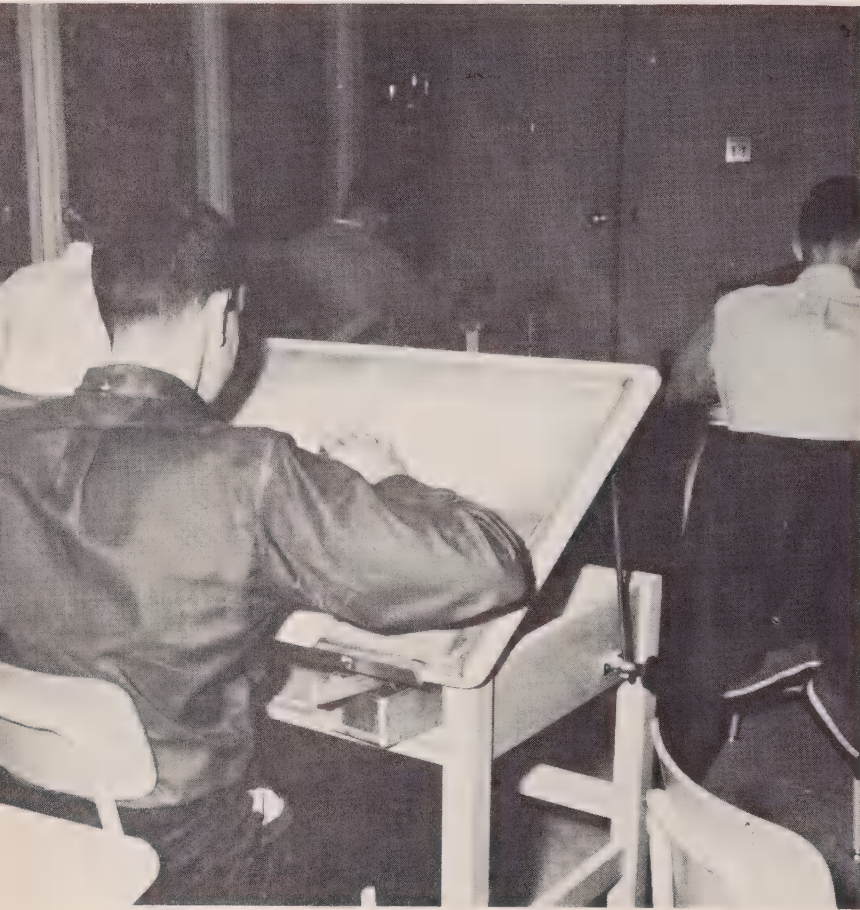

*This was  
a class  
to forget!*

The commercial classes at Wadesboro High School are the only classes which prepare students to begin a career immediately following graduation. Business fundamentals requisite in the competitive world of tomorrow are taught by Mrs. Harold Johnson and Miss Jessie Ruth Honeycutt in the office practice, shorthand, bookkeeping, typing, general business, and business arithmetic classes. Whether or not one goes into the business world after graduation, training in this department is beneficial.

# *Students Learn Manual Skills in Industrial Arts*

Learning a trade through experience is the objective of the Industrial Arts program at Wadesboro High School. This department, which is headed by Mr. David Kephart, offers shop and mechanical drawing for the students who are interested in wood working and drafting. The shop has ample facilities for teaching in industrial trade. The mechanical drawing class prepares students for college drafting and engineering.

Mechanical drawing demands patience, precision, and accurate vision.

Boys in shop show their skill in wood work.

# Modern Home Economics Department

## Makes Homemaking a Pleasure

The Home Economics Department makes lovely Christmas decorations.

In the modern, well equipped Home Economics Department at Wadesboro High School, girls study child care, household economics, and sewing. In today's world of automation and modern conveniences home-making is much more complex than in past years. Girls find this opportunity of studying home economics very helpful.

Making one's clothes is economical and satisfying.

# *Meet the Challenge in Competition*

To achieve, man must be competitive! Through basketball, baseball, football, and wrestling good clean competition provides an opportunity for many to accept "The Challenge" to be good sports, wherever you are.

With six seniors and two new coaches, Ed Emory and Bill Thacker, reporting for practice on August 15, prospects seemed excellent for a good football year. During the pre-season practice fans eager for a preview of the team's potentialities were treated to an exciting scrimmage. The team looked quite promising. came apparent that the 3A teams were unusually strong. The tigers had their hands full. They started out strong, but as the season wore on the opponents became harder to conquer. However, much experience was gained which should give depth to next year's varsity. Wadesboro placed many players on the All Conference team and finished with a 2-7-1 record.

## *J. V. Football Team*

Spirit and desire are two words that apply to the 1963 junior varsity football team. With coaches Shine Huntley and Tony Sellari the little Tigers, lacking in a real abundance of talent, fought their way to a record of three wins, four losses, and one tie. Each game was a rugged, hard-fought contest. Nearly twenty-one players remained with the JV's for the entire season and most all of them were starters at one time or another. The Tigers opened the season by downing Laurinburg 14-0. Two straight victories followed. This determined group of boys will surely contribute to the success of future varsity teams.

## *Wrestling Team*

Preparation for a wrestling match requires strenuous physical workouts as illustrated below.

1963-64 was a beginning of a new era in Wadesboro High School athletics. Wrestling was started as an interscholastic sport for the first time. Ten matches were scheduled for the first year. Teams were Kinston, Albemarle, Sanford, and Mooresville. High school wrestling is the fastest growing sport in North Carolina high schools today. The boys have worked hard in wrestling, weight and isometric training throughout the season. With a winning desire and fighting spunk the boys on the 1963-64 wrestling team will add prestige to the athletic program at Wadesboro High School.

# Meet the Challenge in Participation

"To be or not to be" are words often quoted. Many opportunities to participate in organized groups are offered at Wadesboro High School. "The Challenge" to take advantage of these activities is ours. Perhaps one's greatest inspiration is a challenge to attempt that which is demanding.

Participation in sports, academic activities, and musical opportunities is in itself a "challenge" to help us find our better selves.

## Health Careers Club

The newest club on the school scene is the Health Careers Club. Organized in December 1963, it was formed to bring together high school youths interested in careers in the health field, to enable such youths to share mutual interests in health careers, and to help them explore the opportunities and requirements of the various professions in the field of health. The club is open to any student, grades 9-12, who has a genuine desire in keeping with the purposes of the club. The local club is a chapter of the North Carolina Health Careers Association and is also chartered by the Health Careers Division of the National League of Nursing with headquarters in New York City.

Shortly after the First World War, many educators realized the need of a national organization to recognize high scholastic achievement in secondary schools. The National Honor Society was founded in 1921 as a result of the work of leading figures in high-school education. Membership in the Society is one of the highest awards given by schools.

The Wadesboro High School chapter is made up of juniors and seniors who maintain an A average, but scholarship is not the only requisite for admission. Each member must demonstrate leadership, character, and the desire to be of service to others.

By requiring high standards of admission, the National Honor Society sets a goal for students. Those who reach this goal are stimulated to develop their minds even further.

The National Honor Society, under the leadership of Mrs. Harold Johnson, encourages its members to strive for excellence.

New Members are inducted into the society.

The Wadesboro chapter of the National Junior Honor Society was very active in school affairs and sponsored a service project during the year. The induction of new members was carried out in a chapel program held after first semester. Mrs. Roy Gaddy is the able adviser of the National Junior Honor Society.

The Future Teachers of America is a nationwide organization of high school students interested in the teaching profession. Students study the qualities, traits, and aptitudes basic to successful teaching. The members acquire an understanding of history and development of public schools, as well as purposes and objectives. Under the leadership of Miss Carrie Sturgis, adviser, the Future Teachers of America enables students to secure information on career opportunities in teaching and to participate in prevocational activities, both exploratory and developmental in nature.

Junior Civitan members helped in serving at the pancake supper.

The Junior Civitan Club of Wadesboro High School received its charter on June 2, 1955. It is composed of students from the senior, junior and sophomore classes. The main objective is to encourage and to promote good citizenship at all times, though other projects are undertaken. With its sponsor, Mr. William Martz, the club sponsored a toy project to provide toys for needy children at Christmas, held business meetings once a month, and two members attended a Civitan dinner meeting each week.

# Library Club

The Library Club of Wadesboro High School is made of students who are interested in the library and its functions. Its major purposes are to increase pupil interest and participation in school library work, to gain information and understandings which will serve in the use of the high school library and which will be carried over in the use of college and public libraries, to provide increased and improved library service to the school and community, and to provide opportunity for investigation of librarians as a profession or career.

This year's Latin Club consisted of second year students with a majority of sophomores and juniors.

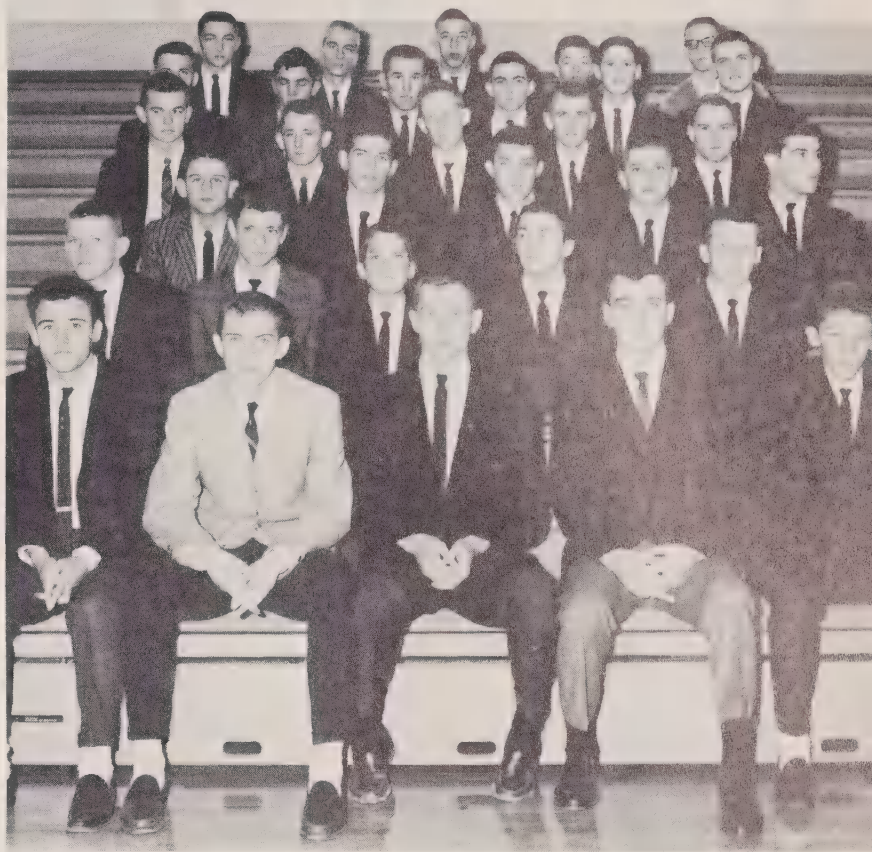

The club held its meetings during the regular class period, under the direction of Mrs. Roy Gaddy. During these meetings the club presented many programs about Latin and life in early days of Rome.

# Monogram Club

This club is composed of boys earning letters for participation in one or more varsity athletic programs. The purpose is to further interest in athletics, provide good sportsmanship, and encourage physical fitness. The major project of the year was operating the concession stands at the basketball games. Money made was used to improve the athletic program.

## *Band*

"Here comes the band . . . Here they come . . ." Yes, the main attraction in any local parade is the Wadesboro High School Marching Band. Known throughout North Carolina for its fine harmonic tunes, the Varsity Band is under the superb direction of Mr. Robert Ellwanger.

The band began the school year in August. Many, many hours went into the preparation of the snappy half-time shows that were performed during football season.

This work paid off when the band received town-wide praise and admiration from both the young and old. It was a favorite in the community of Wadesboro.

After football season the band changed its interests from drill and pageantry to intonation and contest music.

The thunder of drums, the tingle of the glittering bells, and flashing colors of purple and gold announced the approaching Wadesboro High School band. The music contributed to the roar and the excitement of the crowd at a parade or a football game and faded in the cool air as the band paced its way to the finish of any event.

Infectious school spirit spreads to students at the bonfire pep rally.

Player eagerly awaits final instructions from coach.

Dear Jeanne,  
 Just think — this is our last year in  
 High School, Little. Haven't there 22  
 years been years to remember? Let then I  
 get old and gray I'll sit back in my  
 rocking chair and remember the many,  
 many, many good times we've had together.

And every time I go  
 to church, I'll remember  
 you — Little, because we  
 have had some great  
 experiences in our days  
 of church going. I  
 enjoyed going to the  
 mountains with you  
 all those times I went.  
 I'll hate as a  
 week never to be  
 forgotten. Esp. did I  
 ever get a lot out of  
 that week — and I'm  
 sure you did too!  
 Let then you go Duke  
 next year, I want you  
 to remember Dad and  
 me at Greensboro. Please  
 come to see me (before  
 I flunk out!)

You are certainly a  
 girl with enough good  
 qualities and a person  
 who will surely be successful  
 in life. Best wishes  
 to a great friend.

Love,  
 Orlan K. Roberts

## The best-looking candy isn't always so dandy !

Remember when a box of assorted chocolates and creams was your idea of heaven? And how quickly you learned that the ones in the prettiest foil wrappers weren't always the best-tasting?

Offers wrapped up in pretty guarantees aren't always the best bargains either, and it's a good idea to find out what's *really* inside before you bite. Take heating systems, for example. A generous-sounding guarantee or a relatively low installation cost may sound like a terrific deal, but what really counts in home heating are those fuel bills you'll be paying over the years. That's where the money adds up, and that's where heating with oil can save you up to \$100 a year, \$1000 in 10 years, \$2000 in 20 years, current fuel prices considered.

Your local fuel oil dealer can prove it to you, with actual facts and figures — and there's another well-proved fact to keep in mind, too: where your family's concerned.

Dear little, don't  
 I really don't  
 know where to look  
 we have had so much  
 fun to gether these years?  
 little Babus, we have really  
 made a time out I have school  
 trip. I don't know this to school  
 is going to do without our noise and  
 dancing. It just will not be the same  
 will it? Little we shall will have to visit  
 each other next year. DDD  
 wonderful friend.

Always,  
 There

Jeanne,

It doesn't seem possible  
 that twelve years have passed  
 does it? We have really  
 had some memorable times.  
 Remember Mrs. Clark was the  
 seventh grade. We really  
 gave her a fit didn't  
 we.

Jeanne, you are a very  
 sweet and deserving girl.  
 I know you will be a big  
 success at C.A.S. May  
 God bless you always.

Always a friend,  
 Ed

Jeanne,

One year at W.H.S. is fast  
 coming to a close. May that  
 wishes for a successful future,  
 although I'm not at all sure  
 you'll need it. I shall never  
 forget our wonderful times  
 and I hope we will always  
 be friends.

Love,  
 Jean

Always  
 Ed

Jeanne,  
 we really have had  
 a good time this last year  
 but I must always be a  
 sweet girl and sincere  
 friend.

Dear little (alias Duke),  
I will never forget  
the good times that we  
have had together (es-  
pecially our little spats).  
Maybe Duke will stop  
winning sometime. I  
have enjoyed our little  
talks while walking home  
with each other. I'm sure  
you don't need any luck  
to succeed, but good luck  
anyway at Duke and any-  
where else. You are a  
great friend. You never  
begrudge or try to show off  
and I shall never forget  
you.

Love always,  
Diana

Jeanne

I'll always  
remember how  
Duke came along  
after a real hard  
battle with luck.  
I'll never forget  
all the good times  
we've had together in our  
"Jug" class and all the  
other times. I want  
you to know Jeanne  
you are a very sweet  
girl in my book and  
I'll treasure your  
friendship always. May  
God bless you in the future.  
Love  
Life

Jeanne,

I have thoroughly enjoyed study hall with you this  
year. We could really cut up some times but others,  
brother, she could really get strict. Remember that  
V/E/L always. Best of luck to you at what ever college  
you finally decide to go to. Best of luck to a girl that  
deserves the best.

Love,  
Mary Alice

"Little" (Duke!!)

Well, I'm sorry that the year is about over. We've  
been a swell bunch of Seniors, don't you think?  
I've enjoyed hearing you play in chapel. You  
really ought to consider playing the "sax" for a  
career - ha ha! Have fun at Duke and think  
about Carolina.

Love,  
Beachum

Jeanne,

Well, we've finally reached the end, of high  
school that is. It's really been great and I'll never  
forget any of our many good times together. Have  
fun at Duke and I hope I'll get to see you some.  
But I don't know, you'll be with all those good-looking  
boys and won't want to see me. I've enjoyed comparing  
State and Duke also. Please stay as sweet and  
nice as you are and you'll have nothing to worry  
about in the future.

Always,  
Betty

Jeanne,  
This year is  
just about over. I am  
sorry just a little bit.  
I am really glad I will  
be through with Mrs.  
London's English. I wish  
you good luck at Duke!  
Be sweet!  
Always,  
Francine

Good luck to a very sweet  
and pretty girl. I hope you have  
success at Duke.  
Virian + Gerald

Dear Little,

These 12 years surely have passed quickly.  
I can hardly believe that they are almost  
over.

We surely have had some good times. Remember  
when we were teenagers and did all the  
church. That sure was fun. Those beach-  
parties have been nice too.

Little, I sure am sorry that I left you at Salem  
when you were already going to Duke.

Little, I sure have treasured your friendship all  
these years. I know that you will surely be-  
come "the most successful." I wish you the very  
best of everything always.

Love  
Joyce

P.S. Have a great time  
at Duke!

Dear Little,

I have really enjoyed being in French III  
this year. I think Mr. Hester is a  
wonderful teacher and we have really  
had a lot of fun.

I wish you a lot of luck in  
the future and I know you will  
be a big success at Duke.

Best wishes always,

Karen

Jeanne,  
Dosh the time is really slipping  
away fast. I can't believe we won't  
be coming back here to school  
next year.

Jeanne, we've always been  
friends and I just wouldn't take  
anything for it. You've really  
got a darling personality and a  
bright cheerful smile to meet everyone  
with.

I know you will go far in  
life and I know you will do  
well at good old Duke next  
year. I wish you all the luck  
and happiness life has to offer.  
Stay your sweet cute self  
and with your brains you will  
surely go far down the path  
of life.

A friend always,  
Barbara

Dear Little,

We have really had some good times and we can see many more good times ahead. we can hardly wait till the band trip. That will really be wild. We will have a good time being in the same room. Then there is the week-end at Duke coming up. If there isn't a fraternity party going on we will just invite the University over for a big party.

We know you are getting excited about gr. Sr. we can hardly wait. There is the class party afterwards and then the slumber party at Pots. That should be wild.

Janne, we know you will have the best time ever at Duke next year. We will come see you at Duke if you will come see me at Queens. O.K. ? - O.K.

It has really been a pleasure knowing you and being in school with you these past twelve years. It seems only yesterday we were Freshmen and now our Senior year is almost over. Next year we will be Freshmen again, but we should have a real blast.

Best of luck to a really sweet and deserving girl. Your friendship is valuable to me and we hope it grows in the years to come.

Love always,  
Anne Stahl
